**Subject:** Potential Mural Project

Hi Kelly,

A woman named Candace approached Adrienne about doing a mural. Adrienne told Candace to contact us saying that there aren't any City owned buildings that would be a good fit. I thought a mural might be a good fit for the Carolee's building (or someplace downtown). It could become a good photo op for Burnet (similar to the "I love you" mural in Austin.) I was thinking something along the lines of bluebonnets saying Burnet, Texas - Bluebonnet capital of Texas. Possibly there could be a outline of the state with a star where Burnet is located.

When I mentioned it at today's Chamber board meeting, David strongly recommended going through you since you're involved in the historical commission. He thought you would be able to judge if it's a good fit/ how to navigate the historical commission/ finding City funding. So... Below is the email from Candace to Adrienne which includes a website with a link to her work in Cottonwood Shores. Candace's phone number is 858-401-9747.

Based on my conversation with Candace, she receives input on what design might resonate with the community. Then she comes up with about three designs. One is selected (with feedback allowed). Then she works up a cost. Cottonwood Shores cost about \$500 for her and about \$500 for the City.

And in case you want it, Buck Hendrix is the guy out of Pflugerville that owns the Carolee's building. His number is 512-848-8558. I haven't talked to him about this, though I'd be happy to do so. I really was wanting to get guidance from the Chamber board and David before talking to anyone. Let me know if you need anything from me/ how I can help. 😊

Hi Adrienne,

Thank you for speaking with me the other day, I have included my website in this email to show you the kind of work I do and the project I recently finished this past weekend! The website is still coming together, I have further testimonials to add to the page.

I can show you once they have been written. Please let me know if you have any questions.
